C            G  
Father, Father me  
C                            G  
Draw me to sit at your feet  
                          F   C            G  
How could a Holy God love me?  
                          F            C            G  
Truly the greatest mystery  
                          C  
Father me

F                            C  
Father to the fatherless  
G                            Am  
Gracious and compassionate  
F                            C                            G  
Giver of the greatest gift are You  
F                            C  
Abba Father, Shepherd us  
G                            Am  
Slow to anger, rich in love  
F                            C                            G  
Healer of our brokenness are You  
                          C  
(Father me)

Father, father me  
Pour out your loving mercy  
You pursue me relentlessly  
I've been adopted by majesty  
Father me

                          F            C                            G  
How great is Your love!  
                          F                            C                            G  
That we should be called your children
