

Lay it down

written by michael gallagher

©2002 robberfly music

E (D) A (G)

Tear down these walls

 E (D) A (G)

So I can come to your cross

E (D) A (G)

I nail my sin again

 C#m (Bm) B (A) A (G)

And I dwell on your cost

I throw down my burdens

I throw down my cares

I bring them to your feet, Oh Jesus

For you carry all of my fears

chorus

C#m (Bm)

Oh lay it down, Lay it down

 B (A) A (G)

Lay it down at the foot of the cross

More of you Lord

All that I have is yours

Take all I cling to

And nail it to the cross
