Sweet Jesus
Em G C
I come to your presence again
Sweet Jesus
Naked I fall at your feet again

Am G/B C
I won't be satisfied
Until I see your face
I will run to your arms
I will run to your heart

G D/F# Em
Though my world may fall
C
I will trust in you
G D/F# Em
You are my all

You are my everything
G D/F# Em
All I've gained I count as loss

G D/F# Em
You are my all

Sweet Jesus
I am so desperate for You
Sweet Jesus
You are my hope, come and see me through
