C (D) **Em7 (F#m)**
I cannot see You in this darkness
C (D) **Em7 (F#m)** **D (E)**
All that I can feel is misery
D (E) **C (D)**
Every question goes unanswered
D (E) **C (D)**
Every breath a desperate plea

C (D) **G (A)** **Em (F#m)** **D (E)**
I need strength for today, and hope for tomorrow

chorus

G (A) **C (D)**
I stand in my pain and choose to trust You
Em (F#m) **D (E)**
I believe You know better than me
G (A)
Though I don't understand
C (D)
I place my life in Your hands
Em (F#m) **D (E)** **G (A)**
And I worship You

I cannot hear You in this silence
All that I can feel is agony
But You're still good in all I'm facing
You're the Lord of stormy seas

pre-chorus/chorus
