*v1*

C F  
God, I'm just not feeling this right now  
G C  
I cannot bring myself to you  
C F  
Jesus Christ, draw near to me right now  
G C  
Enable me to feel you once again

*chorus*

F C  
Despite the way I'm feeling  
G G7  
I know that you are truth  
F C  
Your love is never-ending  
G  
Your promises endure.  
C  
So draw me to that place  
F  
Where I can open up my lips  
G C  
Help me to respond to you again

*v2*

God, I am so far from you right now  
I cannot bring my song to you  
Holy Spirit, break into my heart  
Make me desperate for you again

*bridge*

Am  
Take my heart  
F  
Take my mind  
C  
Take my will  
G  
Take my life

Am  
Take my heart  
F  
Take my mind  
C  
Take my will  
G  
For you again
